

Bridging translational Research

From identifying and commercializing academic inventions to working with industry partners

Speakers: Dr. Stefanie Possekel
and Dr. Dior Baumjohann (Ascenion GmbH)

Thursday, 12 December 2019, 14:00 – 16:00 h

Lernraum L2, Fritz-Pregl-Straße 3, 2nd floor

Registration via sc-forschung@i-med.ac.at till 5 December 2019.

This workshop targets all academic scientists interested in or already carrying out translational research. We will discuss identifying potential translational opportunities, how to protect critical research findings and tips on how to successfully navigate collaborations with industry.

Das Wissenstransferzentrum West wird gefördert durch die aws, aus Mitteln der Nationalstiftung für Forschung, Technologie und Entwicklung (Österreich-Fonds)
